

**To:** Eclipse BD Customers

**Date:** May 23, 2008

**Subject:** EclipseSuite 6.0 Beta Z21 RRT Release

**Description:**

This document is to notify all customers running EclipseSuite for the Blu-ray format that **EclipseSuite 6.0 Beta Z21** was released to select customers. This version was released specifically to support a Round-Robin-Test for a new version of the BDCMF specification. This beta software has undergone limited testing and is being made available as-is. This version should not be used for normal production.
