

# Eclipse Wins TapeDisc Business Magazine Technical Excellence Awards

February 12, 2002

M3/REPLITECH – Los Angeles, California – Eclipse, a leading provider of DVD and CD mastering software and hardware systems was the recent recipient of three TapeDisc Business Magazine Technical Excellence Awards for product excellence and innovation.

The nominations and awards were the result of a TBD reader poll requesting reader's vote for nominee's products they had purchased during the last three years that had significantly improved their production process. Eclipse was nominated for three awards, winning all three.

According to Bob Edmonds, V.P. Sales & Marketing, "what makes these awards even more significant is the fact that Eclipse won based on an independent vote of TBDs readers. We feel this is an excellent endorsement of our products, and our service and support."

The awards read, to Eclipse who has been "*nominated and recognized by the readers of TDB as one of the leaders in the industry*", and for its "*technological innovation and foresight*" for the following products:

- ◆ EclipseSuite Software - Pre-Mastering (Authoring)
- ◆ ImageEncoder Mastering System - Pre-Mastering (Recordable)
- ◆ EclipseSuite CSS Verification Plug-In - Copy Protections (Disc Manufacturing)
